**Dear Sir or Madam,**

You are cordially invited to the International Die & Mould Forum  
at Makino, Kirchheim unter Teck, Germany on **23-24,2024**

Delve into the vast opportunities within Die & Mould manufacturing.  
Ranging from the tiniest components to the largest moulds, our annual  
Die & Mould Forum will feature presentations by industry leaders  
who will share their success stories with Makino and complementing  
these discussions, our showroom will host practical demonstrations,  
providing a comprehensive and serious exploration of this field.

**We are looking forward to meeting you in Kirchheim!**

Yours sincerely,

**Gordon Länge**

Business Unit Manager Die & Mould
